Direct Support Professional (DSP)

Description

Fabulous Healthcare Staffing Agency is currently seeking compassionate and dedicated Direct Support Professionals (DSPs) to join our team. As a DSP with our agency, you will have the opportunity to make a meaningful impact on the lives of individuals with disabilities by providing person-centered care and support. You will work collaboratively with individuals, their families, and interdisciplinary teams to promote independence, inclusion, and quality of life

Hiring organization

Fabulous Health Care

Base Salary

2500

Date posted

May 3, 2024

Responsibilities

- Provide direct care and support to individuals with disabilities in residential or community-based settings
- Assist individuals with activities of daily living, such as bathing, dressing, grooming, and meal preparation
- Support individuals in participating in social, recreational, and educational activities
- Promote independence and self-determination by assisting individuals in setting and achieving personal goals
- Advocate for the rights and preferences of individuals, ensuring their voices are heard and respected
- Administer medications and treatments as prescribed, following proper protocols and documentation procedures
- Maintain accurate records of services provided and individual progress
- Collaborate with interdisciplinary team members, including healthcare professionals, therapists, and case managers

Qualifications

- High school diploma or equivalent
- Previous experience working with individuals with disabilities preferred
- Compassionate and empathetic approach to care
- Excellent communication and interpersonal skills
- Ability to work effectively as part of a team
- Basic understanding of medical terminology and procedures
- Must pass a background check and drug screening

Job Benefits

- Competitive pay rates
- Flexible scheduling options
- Opportunities for career advancement and professional development
- Supportive work environment
- Access to ongoing training and education programs
