Registered Nurse (RN)

Description

We are seeking a dedicated and compassionate Registered Nurse (RN) to join our dynamic team. The ideal candidate will be responsible for providing high-quality patient care, collaborating with healthcare professionals to deliver comprehensive services, and promoting patient wellness.

Responsibilities

- Conduct patient assessments and develop individualized care plans.
- Administer medications and treatments as prescribed by physicians.
- Monitor patient vital signs and report any abnormalities or changes in condition.
- Educate patients and their families about health conditions, treatment plans, and self-care techniques.
- Collaborate with interdisciplinary healthcare teams to ensure coordinated and holistic patient care.
- Maintain accurate and up-to-date patient medical records.
- Adhere to established protocols, standards, and regulations to ensure patient safety and quality care.
- Participate in ongoing professional development activities to enhance clinical knowledge and skills.

Qualifications

- Valid Registered Nurse (RN) license in the United States.
- Bachelor of Science in Nursing (BSN) preferred.
- Minimum of [X years] of clinical experience in a healthcare setting.
- Strong clinical assessment and critical thinking skills.
- Excellent communication and interpersonal abilities.
- Ability to work effectively in a fast-paced and collaborative environment.
- Commitment to providing compassionate and patient-centered care.
- Current Basic Life Support (BLS) certification.
- Additional certifications (e.g., ACLS, PALS) preferred.

Job Benefits

- Competitive salary based on experience and qualifications.
- Comprehensive health, dental, and vision insurance plans.
- Retirement savings plan (401k) with company match.
- Paid time off (vacation, sick leave, holidays).
- Continuing education opportunities and tuition reimbursement.
- Employee assistance program (EAP) for counseling and wellness support.
- Opportunities for professional growth and career advancement.
